## Required Attachments

### 1.A Experience of Sponsor

Please attach separately a description of the experience of the Sponsor and the individuals representing the Sponsor in development projects like the project for which the PEL is being sought. Include any other relevant experience in housing development and management, real estate, and finance that you deem relevant to the qualifications of the Sponsor in connection with the subject project.

### 1.B Outline of Development Team

Please attach separately resumes for these individuals and companies. If any of the members of the development team are related to the Sponsor through common ownership, please so indicate on the attached list.

### 1.C Financial Disclosure Forms

We do not require financial statements from Sponsors for PELs, but you are welcome to provide them. We do, however, require you to complete and return the attached Financial Disclosure Forms as follows **Corporate Financial Disclosure Form** for each entity comprising the Sponsor and **Personal Financial Disclosure Form** for each principal owner of each entity comprising the Sponsor

### 1.D Fair Housing Experience

Please attach a description of your experience to date in marketing and renting housing units in keeping with state and federal fair housing standards. Please note your experience in preparing Affirmative Fair Housing Marketing and Resident Selection Plans (AFHMP), and in conducting outreach and performing resident selection procedures (including administering the lottery process, determining eligibility under applicable subsidy programs, and waitlist management) in accordance with these standards. Please also disclose whether the Sponsor has ever been charged with a violation of fair housing requirements.

*Fair Housing Note: The guidelines promulgated by the Department of Housing and Community Development updated May 2013 (see attached) contain the following requirements of the development team with regard to the capacity to handle fair housing compliance:*

*Your development team, staff, other entity, or individual responsible for fair housing compliance have not required intervention by a state subsidizing agency to address fair housing complaints or concerns nor had a finding or final determination against it for violation of state or federal fair housing law within the past five (5) years;*

- Your development team, staff, or other entity has successfully carried out similar AFHMP responsibilities for minimum of three (3) projects in Massachusetts, or the individual contracted to carry out the AFHMP tasks has successfully carried out similar responsibilities for a minimum of five (5) projects in Massachusetts; and*
- Your development team, staff, or other entity has the capacity to address matters relating to limited English language proficiency (LEP). This includes language access planning and providing reasonable language assistance at no cost to the applicant, so that applicants with LEP may meaningfully apply and access the housing opportunity.*

## Additional Attachments (if applicable)

### 1.E Organizational Documentation Requirements for Nonprofit Sponsors

If the Sponsor is a non-profit organization, we require the following materials: a. The articles of organization for the organization; b. Evidence of good standing with the Public Charities Division of the Office of the State Attorney General; c. The conflict of interest policy for the organization; d. A disclosure of all related parties, and contracts or other arrangements involved with these related parties, which currently exist or are anticipated in connection with the project; e. A disclosure of all entities that are related to or affiliated with your organization by reason of common control, financial interdependence or other means.

### 1.F Prior Permitting Experience at Site

Please indicate if you have ever applied for permitting at the subject site, and been declined by the Town. If so, please explain how your proposal has been changed to address the Town's concerns.

### 1.G Additional Development Team Members

Please included name, organization, address, phone, and email contact information for additional development team members that did not fit in the space provided above.

## Section 5: Project Financials

Name of Proposed Project: \_\_\_\_\_

#### 1.a Appraisal or Market Study

Have you engaged an appraisal or market study of the property?      Yes                              No

**NOTE:** MHP is required under state regulations to engage, independently, an appraisal which values the property assuming the development rights in existence under current zoning prior to the issuance of a Comprehensive Permit. This appraisal will be subject to MHP's review and approval. If an appraisal has already been done, it may assist MHP or its appraiser in completing the required appraisal.

Please note that if the project is 20 units or less in size, MHP may waive this requirement if the Applicant provides a written request by the Chief Elected Official of the town or city in which the project is located. In substitution for the as-is appraisal MHP would require documentation supporting the acquisition cost; such documentation may be in the form of either a local tax assessment, a limited appraisal, or an opinion of value from a licensed real estate broker.

### Required Attachments

#### 5.A Market Rental Comparables

Please provide MHP with a listing of market rents being achieved in properties comparable to the Project.

#### 5.B Development Budget

Please provide a detailed development budget showing the following: 1.) Sources of funds: first mortgage permanent loan, subsidy funds if any (please itemize each), equity from borrower or limited partners. If the construction-period financing has been identified, please indicate the intended construction lender and sources of funds expected during construction. 2.) Uses of funds: land acquisition, construction costs (broken down between sitework and building costs), and soft costs (identifying in detail the professional costs paid to third parties, the reserves proposed if any, the legal and closing costs, the financing costs, and the overhead and fees to be paid to the developer).

#### 5.C Operating Budget

Please provide an operating budget, showing, upon completion, sources of operating revenue (broken down by rental income from each unit type, plus income from other sources), and operating costs (showing management fees, administrative costs, repair and maintenance costs, utility costs, taxes and insurance costs, and contributions to reserves if any

#### Method 1:

*Check "X" Below*

**Yes      No      NA**

#### **Redevelop First**

*If Rehabilitation:*

*Check "X" below if applicable*

- Rehabilitation/Redevelopment/Improvements to Structure
- Rehabilitation/Redevelopment/Improvements to Infrastructure

*If New Construction:*

- Contributes to revitalization of town center or neighborhood
- Walkable to:
  - (a) transit
  - (b) downtown or village center
  - (c) school
  - (d) library
  - (e) retail, services or employment center
- Located in municipally-approved growth center

#### Explanation **(Required)**

#### **Optional - Demonstration of Municipal Support:**

*Check "X" below if applicable*

- Letter of Support from the Chief Elected Official of the municipality\*
- Housing development involves municipal funding
- Housing development involves land owned or donated by the municipality

\*Other acceptable evidence: Zoning variance issued by ZBA for project; Minutes from Board of Selectman meeting showing that the project was discussed, approved, etc.

Explanation (Required)

**Method 2:** Development meets a minimum of **five (5)** of the Commonwealth's *Sustainable Development Principles*, as shown in the next section below.

If the development involves strong **municipal support** (evidence of such support must be submitted as an attachment), the development need only meet **four (4)** of the *Sustainable Development Principles*. However, one (1) of the Principles met must be **Protect Land and Ecosystems**.

Please explain at the end of each category how the development follows the relevant *Sustainable Development Principle(s)* and explain how the development demonstrates each of the checked "X" statements listed under the *Sustainable Development Principle(s)*.

*Check "X" Below*  
**Yes      No      NA**

**(1) Concentrate Development and Mix Uses**

Support the revitalization of city and town centers and neighborhoods by promoting development that is compact, conserves land, protects historic resources, and integrates uses. Encourage remediation and reuse of existing sites, structures, and infrastructure rather than new construction in undeveloped areas. Create pedestrian friendly districts and neighborhoods that mix commercial, civic, cultural, educational, and recreational activities with open spaces and homes.

*Check "X" below if applicable*

- Higher density than surrounding area
- Mixes uses or adds new uses to an existing neighborhood
- Includes multi-family housing
- Utilizes existing water/sewer infrastructure
- Compact and/or clustered so as to preserve undeveloped land
- Reuse existing sites, structures, or infrastructure
- Pedestrian friendly
- Other (discuss below)

Explanation (Required)

*Check "X" Below*  
**Yes      No      NA**

**(2) Advance Equity & Make Efficient Decisions**

Promote equitable sharing of the benefits and burdens of development. Provide technical and strategic support for inclusive community planning and decision making to ensure social, economic, and environmental justice. Ensure that the interests of future generations are not compromised by today's decisions. Promote development in accordance with smart growth and environmental stewardship.

*Check "X" below if applicable*

- Concerted public participation effort (beyond the minimally required public hearings)
- Streamlined permitting process, such as 40B or 40R
- Universal Design and/or visitability
- Creates affordable housing in middle to upper income area and/or meets regional need
- Creates affordable housing in high poverty area
- Promotes diversity and social equity and improves the neighborhood
- Includes environmental cleanup and/or neighborhood improvement in an Environmental Justice Community
- Other (discuss below)

**Explanation (Required)**

*Check "X" Below*

**Yes      No      NA**

**(3) Protect Land and Ecosystems**

Protect and restore environmentally sensitive lands, natural resources, agricultural lands, critical habitats, wetlands and water resources, and cultural and historic landscapes. Increase the quantity, quality and accessibility of open spaces and recreational opportunities.

*Check "X" below if applicable*

- Creation or preservation of open space or passive recreational facilities
- Protection of sensitive land, including prime agricultural land, critical habitats, and wetlands
- Environmental remediation or clean up
- Responds to state or federal mandate
- Eliminates or reduces neighborhood blight
- Addresses public health and safety risk
- Cultural or Historic landscape/existing neighborhood enhancement
- Other (discuss below)

Explanation **(Required)**

*Check "X" Below*

**Yes      No      NA**

**(4) Use Natural Resources Wisely**

Construct and promote developments, buildings, and infrastructure that conserve natural resources by reducing waste and pollution through efficient use of land, energy, water, and materials.

*Check "X" below if applicable*

- Uses alternative technologies for water and/or wastewater treatment
- Uses low impact development (LID) or other innovative techniques
- Other (discuss below)

Explanation **(Required)**

*Check "X" Below*

**Yes      No      NA**

**(5) Expand Housing Opportunities**

Support the construction and rehabilitation of homes to meet the needs of people of all abilities, income levels and household types. Build homes near jobs, transit, and where services are available. Foster the development of housing, particularly multifamily and single-family homes, in a way that is compatible with a community's character and vision and with providing new housing choices for people of all means.

*Check "X" below if applicable*

- Includes rental units, including for low/mod households
- Includes homeownership units, including for low/mod households
- Includes housing options for special needs and disabled population
- Expands the term of affordability
- Homes are near jobs, transit, and other services
- Other (discuss below)

Explanation **(Required)**

Check "X" Below

Yes No NA

**(6) Provide Transportation Choice**

Maintain and expand transportation options that maximize mobility, reduce congestion, conserve fuel and improve air quality. Prioritize rail, bus, boat, rapid and surface transit, shared-vehicle and shared-ride services, bicycling, and walking. Invest strategically in existing and new passenger and freight transportation infrastructure that supports sound economic development consistent with smart growth objectives.

Check "X" below if applicable

- Walkable to public transportation
- Reduces dependence on private automobiles (e.g., provides previously unavailable shared transportation, such as Zip Car or shuttle buses)
- Increased bike & ped access
- For rural areas, located in close proximity (i.e., approximately one mile) to a transportation corridor that provides access to employment centers, retail/commercial centers, civic or cultural destinations
- Other (discuss below)

**Explanation (Required)**

Check "X" Below

Yes No NA

**(7) Increase Job and Business Opportunities**

Attract businesses and jobs to locations near housing, infrastructure, and transportation options. Promote economic development in industry clusters. - Expand access to education, training, or entrepreneurial opportunities
- Support local businesses
- Support natural resource-based businesses
- Re-uses or recycles materials from a local or regional industry's waste stream
- Support manufacture of resource-efficient materials, such as recycled or low-toxicity materials
- Support businesses that utilize locally produced resources such as locally harvested wood or agricultural products
- Other (discuss below)

Explanation **(Required)**

*Check "X" Below*

**Yes      No      NA**

**(8) Promote Clean Energy**

Maximize energy efficiency and renewable energy opportunities. Support energy conservation strategies, local clean power generation, distributed generation technologies, and innovative industries. Reduce greenhouse gas emissions and consumption of fossil fuels.

*Check "X" below if applicable*

- Energy Star or equivalent\*
- Uses renewable energy source, recycled and/or non-/low-toxic materials,exceeds the state energy code, is configured to optimize solar access, and/or otherwise results in waste reduction and conservation of resources
- Other (discuss below)

\* All units are required by MassHousing to be Energy Star Efficient. Please include in your explanation a description of how the development will meet Energy Star criteria.

Explanation **(Required)**

*Check "X" Below*

**Yes      No      NA**

**(9) Plan Regionally**

Support the development and implementation of local and regional, state and interstate plans that have broad public support and are consistent with these principles. Foster development projects, land and water conservation, transportation and housing that have a regional or multi-community benefit. Consider the long-term costs and benefits to the Commonwealth.

*Check "X" below if applicable*

- Consistent with a municipally supported regional plan
- Addresses barriers identified in a Regional Analysis of Impediments to Fair Housing
- Measurable public benefit beyond the applicant community
- Other (discuss below)
